Access to criminal records can help to ensure a safer environment for those who are ministered to through this camp as well as provide protection for volunteer and staff members in the event of a false allegation. Since Camp Pagweak recommends that access to such records is often important, I consent to have a criminal record check if it is requested. (Please initial here.) \_\_\_\_\_

## **Pagweak Prayer Team**

We believe in the power of prayer and realize that it is an integral part of our ministry at camp, so this summer we are asking all staff members to find at least five people who would commit to pray daily for the staff and for Pagweak this summer. This allows us to

experience the power of prayer first hand, as well as, getting others involved in the excitement of what God will do at camp this summer.
