

Camp Pagweak occupies a seashore site of approximately 18 acres on a bluff overlooking Pugwash Bay in Nova Scotia. It has been built and developed jointly by the Cumberland and Colchester-Pictou Associations of Baptist churches, which are in turn members of the Convention of Atlantic Baptist Churches. Its purpose is to give children and teens an opportunity to experience God and to get to know His love through Jesus. Each weekly camp provides a great opportunity for building new friendships and making memories in a safe and enjoyable atmosphere, so we do not allow cigarettes, alcohol or non-prescription drugs on the property.

### Our Mission

Camp Pagweak exists to provide interesting and active camping, retreats, special programs and activities where participants of all ages can come to a knowledge of the Lord Jesus Christ, to grow in that knowledge, and to develop the whole person - spiritual, social and physical, by providing Christian example in leadership, fellowship, witness, concern and caring.

## Our Purpose

Our desire is to provide a summer camping ministry focused on children and teens. In the spring and fall our facility is used to provide retreat ministries for adults and families and a place to be used by our churches for an extension of their out-reach.

We exist as an extension of the Baptist churches of the Cumberland and Colchester-Pictou Associations. Camp Pagweak relies on them for financial support and on all evangelical churches for staff and prayer support. Our priorities are to be a Christ-centered camp where we teach by word and example that Jesus is Lord. Our goal is that many will come, make new friends and walk more closely with our Lord.

## Our Values

We are a biblically based, Christ-centered camp. Jesus Christ is the center of every camping experience and Lord of the camp, 24 hours of the day. Those governing and leading do so as His stewards. Camp Pagweak is open to serve the needs of the entire church family. Our main thrust is the summer camping ministry meeting the needs of children and youth. Our secondary ministry focus is families and adults. We want each camper to discover Jesus Christ for themselves, to grow into the moral freedom of unselfish love in Jesus Christ, and to develop a living style compatible with this freedom
